In the event a change of ownership occurs, assignment of this warranty to a new Owner or Owners must be accomplished no later than 90 days after the transfer of title. Assignment will be made in accordance with the warranty and with the procedures in effect at the time of transfer upon receipt of a current (within the past 12 months) freshwater pressure test and a hydrostatic sewer test performed from a dual-directional cleanout. If assignment is not properly made within 90 days after the transfer of title, the cost to reinstate the warranty will be \$100 (or current fee).

NOTE: If foundation adjustments are required due to the settling of Contractor's piers or pilings, Contractor will re-adjust affected piers or pilings at no charge to owner. This warranty covers existing, contracted work performed by Perma-Pier Foundation Repair of Texas only. The future performance of any foundation, including future movement and/or the need for additional pilings cannot be predicted due to variables out of the control of Perma-Pier Foundation Repair of Texas. For unabridged details, see the original contract.
